KEYMACRO is a smart keyboard macro recording application. It will automatically record all keystrokes. All macros can be defined with keystroke combinations or keyboard shortcuts. It automatically plays back the recorded macros at the keystroke of their matching combination. The result is you can trigger your macro by any key combination you want. You can create your own commands to do custom things. You can perform repetitive tasks using scripts. KEYMACRO Features: Record keyboard macros Automatically repeat macros at every keystroke Records and plays back macros Keystroke combinations and keyboard shortcuts Custom commands Dictionary search Import from MS Windows.txt file Export to MS Windows.txt file Export to.CSV file (other formats are also possible) Export to.XLS file Supports all keyboard languages Supports all Microsoft Windows languages Supports Right-to-Left languages Supports French and German right to left languages Supports Arabic right to left languages Supports English (left to right and right to left) Supports Simplified Chinese (left to right) Supports Traditional Chinese (left to right) Supports Japanese (left to right) Supports Korean (left to right) Supports English (left to right) Supports Spanish (left to right) Supports German (left to right) Supports French (left to right) Supports Polish (left to right) Supports Hebrew (left to right) Supports Italian (left to right) Supports Arabic (left to right) Supports Russian (left to right) Supports Turkish (left to right) Supports Vietnamese (left to right) Supports Korean (left to right) Supports Simplified Chinese (left to right) Supports Traditional Chinese (left to right) Supports Japanese (left to right) Supports Korean (left to right) Supports Simplified Chinese (left to right) Supports Traditional Chinese (left to right) Supports Russian (left to right) Supports Turkish (left to right) Supports Vietnamese (left to right) Supports Arabic (left to right) Supports Italian (left to right) Supports Hebrew (left to right) Supports Polish (left to right) Supports Hungarian (left to right) Supports Serbian (left to right) Supports Slovak (left to right 70238732e0 StarUML 5.0 (open source) Serial Key
